ALL-NATURAL
ALLERGY TREATMENT

WHAT IS AllergyEasy®?

AllergyEasy® is an oral, at-home, all-natural treatment for allergies. Our program has been used to treat patients for over 30 years.

Our drops contain food and environmental allergens that help to desensitize allergic responses to exposure over time.

AllergyEasy® Provides Allergy Relief From:

- Grasses & Trees
- Nuts & Fruits
- Pollen & Dust
- Shellfish
- Molds & Fungus
- Milk & Eggs
- Pet Dander
- Gluten & more

WHY PEOPLE CHOOSE AllergyEasy®

- **ALL NATURAL:** We don't use synthetic ingredients, or harsh chemicals.
- **AT-HOME TREATMENT:** AllergyEasy® serum is taken as under-the-tongue drops, at your convenience.
- **RAPID RESULTS:** The majority of people experience marked symptom relief in less than three months, and many report improvement in just a few weeks.
- **SUITABLE FOR ALL AGES:** AllergyEasy® allergy drops have been shown to be safe and effective for children under 5.
- **LASTING RESULTS:** AllergyEasy® drops work by desensitizing the body to troubling allergens, not by masking symptoms.
- **GREAT FOR FREQUENT TRAVELERS:** Since the allergy drops are portable, you can travel as often as you like without interrupting your treatment.
